I am sorry to hear that they had no immediate position for you. It is true we are looking mainly for very particular qualifications, but I had hoped that someone would want to take your good general background and legal training and put it to use in something interesting.

I am sending your letter to [redacted] with the request that your file be kept available for review if such an opening occurs. 25X1A

Meanwhile, good luck to you and best holiday wishes.

Very truly yours,

LAWRENCE R. HOUSTON
